CORAM : S.A. BOBDE, J.

October 11, 2005.

P.C.:

Having regard to the fact that civil suit are admittedly pending in regard to the lands in question and having regard to the settled position in law that mutation entries do not confer or divest title in property and that even as regards possession, presumption is rebuttable, I am not inclined to interfere with the impugned order. The parties shall be at liberty to apply for mutation, in accordance with the result of the civil suits . Hence, the petition is allowed to be withdrawn with the above observations.
